# CHAIRMAN'S NOTES

**W**elcome back to The Globe for this evening's JD Cymru North fixture versus Holywell Town.

I would like to offer a warm welcome to Holywell's players, committee and their travelling fans, as they visit The Globe for this evening's festive fixture.

Holywell had a tough start to their season, but have had a recent surge in form, going unbeaten in their last five league games. This strong run has seen them climb up to eighth in the league table, with their Manager Johnny Haseldin deservedly winning the JD Cymru North Manager Of The Month award for November. Congratulations to Johnny and his team. This will be the third time we have played Holywell this season after drawing them in the NEWFA Cup and having already visited Halkyn Road in the league. Both games saw a win for The Bucks, with the league game being a dramatic 3-2 win after being 2-0 down at half time. A brilliant comeback from the team on the day, and I'm sure Holywell will be looking for revenge this evening. I wish them all the best for tonight's game.

Last week saw our first game since the home victory over Llanrhaeder, a break due, in part, to our away fixture at Bangor City being cancelled after their current FAW suspension. The lads put in a good performance away to Gresford, but couldn't find the goals their display deserved, hitting the woodwork an unbelievable SEVEN times. The game finished with a frustrating 2-0 loss, but with lots of positives for the team to take away - I'm sure we'll play worse than that at some point in the future and go on to win the game! A typical example of the frustration our much loved game can cause at times.

This evening's game is our last home game of 2021, a year of twists, turns and unknowns, not only within football, but all walks of life. Yet here we are, having made it through the year and having had so many good moments. I would like to thank you all, our loyal fans, for your amazing support throughout the year. I hope you have enjoyed being at The Globe as much as I have, and following the team around the away grounds the JD Cymru North has to offer. Your support, along with the continued support of our loyal sponsors, continues to help us progress as a club. We have been busy behind the scenes and 2021 has seen us make great strides forward on and off the pitch. I hope you can see the progress we have made, and that the club is striving to achieve bigger and better things.

**So, to all our supporters, our sponsors, our junior and senior players and coaches across the Club and, of course, our amazing volunteers ...**

**Merry Christmas and a Happy and Healthy New Year!**

I hope everyone enjoys the game tonight and I'll see you in and around the ground to cheer the team on.

**Up The Bucks!**

# HOLYWELL TOWN FC

Holywell Town were founding members of both the Cymru Alliance and the League of Wales (now known as the Cymru Premier) and enjoyed their best period in the top flight in the mid-1990s. The history of football in Holywell can be traced back to a club that was simply known as Holywell, and it is credited that it was founded by a Colonel J.Llewellyn Williams. During those early days, Holywell played their football on a ground known as Ffordd Fer ('Short Way'), which was located where the local high school is now situated, and also wore red and white as their strip, just as the current team wears today in its home kit. There is evidence of a Holywell team existing way back in 1881, when a Holywell team lost in the first round of the 1881–82 Welsh Cup to Northwich Victoria, losing to the Cheshire side 0–3. Most recently, Holywell Town became founder members of the Cymru Alliance in 1990–91, and would compete in the league for two seasons, earning mid-table finishes both seasons. However, when a new national league for Wales was created, Holywell left the Cymru Alliance and they became one of the founder members of the new League of Wales in 1992–93.

## Cymru Alliance

From the 1998–99 season, Holywell Town have played their football in the Cymru Alliance, the second tier of the Welsh football league system. Their first season back in the Alliance was a real struggle although the club avoided a potential relegation for the second season in a row, finishing several points above bottom club Corwen Amateurs. Matters improved in 2000–01 when The Wellmen rose to 10th position, mid-way in the league, in a season when they were one of six former League of Wales clubs to play in the Cymru Alliance. The following season, the club returned to struggling ways in the league, and in 2001–02 the Wellmen finished a disappointing 16th, narrowly avoiding relegation from the league yet again. It was then that the club decided to part company with their Manchester-based manager and squad in favour of a more local set-up in order to improve performances on the pitch. Unfortunately, their revised set-up fared no better when in 2002–03, they finished bottom – with a nine-point deduction adding to a dismal playing record. (1) Although they saw an improvement to fortunes under the guidance of Andy Nicholls during the 2004–05 season, finishing 9th, they were eventually relegated to the Welsh Alliance the following season when they finished 17th, with only their local rival Halkyn United below them. For the start of the 2012–13 season, Mike Thomas was replaced as Holywell manager by their club captain, Johnny Haseldin, who adopted a player-manager role. To aid him in his first management role, Haseldine brought in both John James and Andy Lewis (who were at Denbigh Town in the 2011–12 season) into his coaching staff, with Craig Knight remaining in his role from the previous season.

After years of trying in the Welsh Alliance, the 2014–15 season finally became Holywell's season when they finally clinched the Division 1 title. They maintained a 100% league record until January 2015 by winning their first fourteen league games, and only lost their first league game in mid-March. However they wrapped up the league title with three games remaining by beating Llanrwst United 3–0, and finally earned themselves promotion back to the Cymru Alliance for the 2015–16 season.

## Stadium

Holywell Town currently play at Halkyn Road, which is located just a short walk from Holywell town centre, behind the town's cottage hospital. The ground can accommodate 2,000 spectators with 500 seated with an additional 250 covered, with plenty of space for car parking behind the main stand. In recent times, the Halkyn Road ground has been greatly improved, such as increasing parking facilities, and the stadium has been the venue for many Youth International fixtures in the past.

The Wellmen's first choice strip is red and white striped shirts, red shorts and red socks, with the away strip being white and green hooped shirts and socks and green shorts. Although the team's local rivals are Greenfield, it is considered a friendly rivalry with good co-operation between the two clubs. Holywell's traditional and fiercest rivals are Flint Town United, which originates from the historical rivalry between the two old towns of Flintshire, and is one of the oldest football rivalries in Welsh league football! Holywell also has good local rivalries between fellow Flintshire sides, Mold Alexandra and Buckley Town, as well as recently having exciting competitive rivalries with Caernarfon Town, Denbigh Town and Holyhead Hotspur, which originate when the teams were competing for the Welsh Alliance League title.
