PRESTATYN TOWN

Football has been played in many guises in Prestatyn since the early 1890s. In 1930 the team we know today started playing at the old Bastion Road Ground. The early parts of the club's history are a bit sketchy until the leadership of the remarkable Sam Bennett. He didn't settle for just training and managing the team; he was often a linesman, head of the committee and also wrote the match reports.

For a brief period in the 1940s the Club was known as 'Chanydore FC' but quickly changed its name back. In the early 70s the club moved to Bastion Gardens and became founding members of The Clwyd Football League in 1974/75. They went on to win six titles and five cups, rejoining The Welsh Alliance.

The 1993/94 season brought moderate success as Alves Cup winners, finishing eighth in the league. In the following season PTFC won their last fourteen games to finish in second place, three points behind Rhydymwyn, also reaching the semi-final of The Alves Cup. They again finished runners-up the following season, this time to Denbigh Town. Rejoining the Clwyd League in 1998/99 PTFC won the League and Cup before rejoining the Welsh Alliance the following season and again winning the Alves Cup. They reached the final of The NWCFA Challenge Cup losing to Premier League opponents Bangor City and won the League in 2005/06, reaching the finals of both the Cal League Cup and NWCFA Challenge Cup.

2007/08 saw promotion and in 2012/13 PTFC won both the NWCFA Challenge Cup and also beat Bangor City in the final of The Welsh Cup. They were also the first Welsh club to make it to the second qualifying round of the Europa League on their first attempt, beating Latvian side Liepajas Metalurg before losing to Croatian side HNK Rijeka.

Their top flight stay ended in 2014/15, with promotion in 2016/17 before going back down. In 2018 there was an amass exodus of management and players, but the ship was steadied by the end of the season and they ended it six games unbeaten, including five wins, staying up. The 2019/20 season was looking very promising for Prestatyn as they were top of the league and looking forward to a Welsh Cup semi-final against TNS, but Covid-19 brought a premature end to the season. Despite being crowned Champions on a points per game basis, they were denied promotion due to their TV gantry not being up to standard.

Hey, how are you doing? We hope you're enjoying the match!

We'd like to introduce ourselves - we are Level Playing Field, the leading charity in England and Wales campaigning and advocating on behalf of disabled sports fans. Today, your club is using this match day to participate in our new national campaign, 'Unite For Access', a celebration of disabled fans, accessibility, and inclusion at sports venues.

Did you know that an estimated 22% of the UK population is disabled?

That means it's very likely that you know someone who is disabled, or you might be reading this as someone who is disabled yourself.

Quick question - how did you get to the game today? If you came by train, did you know that 40% of railway stations don't have step-free access? Meaning that if you're a wheelchair user or ambulant disabled, even getting to a match can be a considerable barrier to attending this game.

Talking of barriers, Level Playing Field conducted a survey last year which found that nearly 29% of disabled fans considered the 'attitudes of others' to be a barrier when attending live sports.

We appreciate that talking about disability can be daunting sometimes, it's a complex subject. That's why we invite all supporters, disabled and non-disabled, to engage with your Club, the Disabled Supporters Association (DSA) if it has one, and ourselves, because it's not just down to disabled people to highlight the importance of access and inclusion at your club.

**Good disability access benefits everyone, so let's
